3. **Matters Arising**

**Style of Reports**

Duncan McIntyre had sent out a draft report about services that are available in Lothian. People said that they like the way it was laid out. On the other hand people were not sure about the content and the style of the draft needs and numbers report.

### **In-Patient Beds**

Ros asked that the interim report should mention the number of people who are in hospital/NHS beds but don't need to stay there any longer. She agreed to write something about this. **Action: R.S.**

### **Membership**

Denis said that Dawn Larman and Christine Schoffer should be members of the Review Board because they are chairs of sub groups. Everyone agreed with this.

Discussion groups looked at the interim report.

#### **4. Date of Next Meeting**

We decided to meet again on Thursday 25<sup>th</sup> May 2006 from 1.00pm – 3.00pm. Venue to be confirmed.
